John:

Thank you for chatting with me today and welcome aboard.
Please have Mr. Young contact Rene Marler (415-744-2736) our FTA counsel in Region IX San Francisco in order to discuss Navy signatory status.

We are at the eleventh hour with the 106 process and need your immediate help if we are going to get it done. I have included the most recent draft PA for your review and comment. After 10 or 11 meetings with the consulting parties, we do not expect it to change very much. We will meet with Hawaii SHPD and the ACHP staff soon to hammer out a final document for management review. Please coordinate with Faith and keep us in the loop.

Thanks again.

Jim
